Blanchard House, 249 Ayer Road, is 0.6 miles on the left. Upon turning into the driveway, 249 is the building on your left. Turn left into the first parking area.

Parking

Please park in the first lot and walk your child into the office via the main doors. My office is 201, the first suite on your left upon entering the building. Additional parking, if necessary, is located in the second lot, behind the building (see below).

Waiting Room

There is a waiting room where parents are welcomed to wait quietly during sessions. Please be considerate of the other suite-members, many of which need **quiet** during the work day when they are seeing patients. Please bring quiet activities (books, coloring, puzzles, etc.) for your other children while waiting or consider waiting in your car or coming back to pick up your child. *I appreciate your effort in keeping the waiting room a quiet space.*

If you are more comfortable waiting in your car during the therapy session, please park in the lower parking lot and enter/exit through the door on the ground level. Once entering the ground floor door, take the stairs to level 2 and walk down the corridor to the main entrance. My office suite is on the right, room 201.
